

# Adopt a Canyonside Christian School Classroom

for the  
2009-2010  
School Year

Help CCS teachers continue to  
create vibrant learning  
environments.

Join us in creating  
amazing learning  
environments!

What does it mean to "adopt"  
a CCS classroom?

By adopting a Canyonside Christian School classroom,  
you have the opportunity to serve as a community partner  
to a classroom by providing financial & moral support to  
the teacher & students.

It does make a difference! By adopting a  
Canyonside Christian School classroom you are  
providing a CCS teacher with additional funds to  
purchase hands-on learning materials.
